CLereg is the acronym for the Continuing Legal Education Regulators Association. Our group has been providing education and networking opportunities for regulators in Mandatory CLE jurisdictions since 1986. CLereg also connects members via a listserv that provides invaluable day-to-day support from peers. We currently represent 46 mandatory CLE jurisdictions and welcome new and existing regulatory jurisdictions from around the world to join us. In most jurisdictions, regulatory duties include program accreditation and attorney record-keeping duties for CLE program attendance. CLereg also maintains the MCLE Guide addressing the rules and regulations of each jurisdiction. For more information, see our website at www.clereg.org.
