

As the North American organization for continuing legal education regulators, CLEreg hosts two conferences each year: an Annual Meeting typically in early August and a Midyear Meeting in late January to early February. We also host Coffee Chats (typically 40-50 minutes each) periodically throughout the year.

We encourage you to submit topics and speakers to address all aspects of our work as CLE regulators.

Our organization has a small budget to pay honoraria and expenses for nationally-known speakers. CLEreg members are not eligible for payment of honoraria or expenses.
